Disclaimer

- Investments in debt instruments are subject to reinvestment risk. Interest rates prevailing at the time of reinvestment of interest income or maturity proceeds may differ from the original coupon rate, which may result in reinvestment at lower rates.
- If a client seeks our opinion on specific positions held by them, we may provide an appropriate view on such securities. However, such views should strictly be considered as opinions and not as investment advice or consultancy services. Clients are advised to independently evaluate such opinions before acting upon them. We shall not be liable for any losses incurred based on such opinions.
- We do not hold any positions in financial products or securities that are the subject matter of our advice.
- The names of products or the nature of investments mentioned do not guarantee future prospects or returns. The performance of equity products may be adversely affected by company-specific factors, market movements, industry trends, and macroeconomic conditions.
- Investments in the securities market are subject to market risks. While every effort is made to analyse and interpret market trends, no assurance or guarantee of returns or accuracy can be provided.
- The information available on our website is updated periodically. However, VK Wealthwise & Associates disclaims all warranties, whether express or implied, regarding the quality, accuracy, completeness, reliability, performance, or fitness of the content available on the website.

- Clients are advised to carefully read, understand, and agree to the Terms & Conditions and Disclaimer before availing of our services.
- We do not guarantee any profit or assured returns on investments.
- The performance of investments or products may be affected by changes in government policies, interest rates, trading volumes, liquidity, and settlement systems in the equity and debt markets.
- We do not offer profit-sharing services, guaranteed profit services, or Demat account-related services.
- Registration granted by SEBI and certification from NISM do not guarantee the performance of the intermediary or assure returns to investors.
- Any securities mentioned, if any, are for illustrative purposes only and should not be construed as recommendations.
- Investments in the securities market are subject to market risks. Please read all related documents carefully before investing.
